

# RE-OPENING TOGETHER

There is no higher priority than the health and well-being of our guests, business owners, employees, and our communities. In order to help you and our businesses feel comfortable and safe, we have implemented the following procedures:

- Please follow 6' of social distancing during your visit today
- Retail stores will establish individual occupancy guidelines in order to maintain a safe and healthy shopping experience inside their stores
- Common area seating has been modified for social distancing
- Large events have been scaled down to small intimate experiences to limit gathering

- Cleaning staff has implemented more regular and stringent disinfecting procedures, including an increased focus on frequency and intensity of cleaning protocols
- We will continue to regularly disinfect/sanitize high-touch surfaces through out the common areas and office spaces
- Proper hand washing reminders have been placed in the restrooms
- Mask and glove training will be required for all retail clerks and curbside delivery staff
- Strategically placed hand sanitizer stations are located throughout the property
- The play area and kiddie ride amenities will be closed until we feel it is safe to re-open

- Curbside pickup areas have been installed

We hope you enjoy your visit!

**TOGETHER WE WILL RE-OPEN SAFELY,  
RESPONSIBLY, AND BETTER THAN EVER!**
